*Entertainment & Production*

## About Us

Prelude has been one of the UK's leading entertainment suppliers since 1984, supplying London's finest venues and clients with the best entertainment.

The Prelude team have been working at Chiswick House and Gardens for over a decade bringing wedding and events to life with stunning entertainment, live music and expert industry knowledge.

## How We Work

Whether your event or wedding is a large, lavish affair or an intimate dinner for your favourite people, Prelude work with you to tailor the entertainment to suit. Every client receives the utmost care and attention to detail, with bespoke packages, careful planning and on the day coordination, ensuring the best possible service and celebration.

Our team is made up of industry professionals who are not only experts in wedding and event entertainment, but they are also performers themselves, and know exactly what will work best and how to put your plans and ideas into action.

*Throughout this brochure you will see our wide variety of Artists and Packages that we provide.*

*If interested in any of our Artists or Packages, please enquire to us through our website.*

# *Party Bands & DJs*

*Click on the artists names to view them on our website!*

## AMB

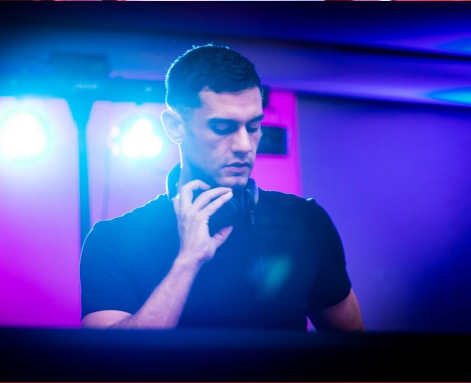

One of the best and most impressive party bands in London and the UK. Loved by international and UK clients alike, AMB are experts in creating a stunning wedding atmosphere and are experts with Jewish weddings and celebrations.

## LC

LC are one of London's hottest bands. They have an impressive catalogue of events and weddings both at home and abroad. With a range of small and larger line up to suit every occasion, LC are one of Prelude's most booked bands.

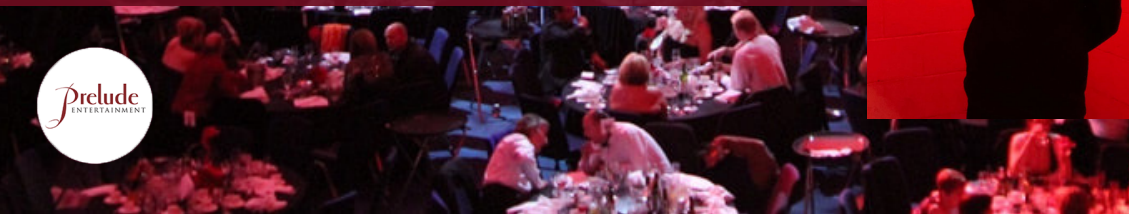

## DJ Ash

For the past 10 years Ash has been out there wowing audiences and keeping them on their feet all night. There is never a dull moment when DJ Ash lets loose on the decks, mixing classics with contemporary hits.

## DJ Mark

Mark is a versatile DJ, musician and producer that brings his wide tastes to the decks to rock any event. A graduate of London's Institute of Contemporary Music, a lifelong guitarist and vintage vinyl enthusiast, Mark is no stranger to a blast from the past, but his ear is never too far from the latest hits.

CHISWICK  
HOUSE & GARDENS

## Prelude DJ Package

All our DJ packages come with professionally trained and experience DJs.

Working with you and your guests throughout the night and lead up to the day to build the best playlist that reflects you as a couple.

# *Jazz Bands & Instrumentals*

*Click on the artists names to view them on our website!*

JT  
Combining their love of jazz and contemporary music, JT fuse them together to create bespoke swing style versions of classic party classics. JT are available as a trio, quartet or quintet to suit both background and party sets.

Max On Sax  
London's leading saxophone player, performing regularly all over Europe and the UK as a solo performer, Ibiza style sets with DJs and alongside full bands, Max's live performance makes him one of our most loved musicians.

JR

If you are after a brilliant postmodern jukebox style band, JR are the only choice to make. With a fantastic set of rearranged contemporary hits, JR can take your drinks reception or dinner to the next level.

CC

This trio of Sax, Guitar and Double Bass, or Duo of Sax and Guitar is one of our most popular. CC create a brilliant atmosphere and ambience for drinks receptions and wedding breakfasts.

# Contemporary & Classical Background

*Click on the artists names to view them on our website!*

## ST Roaming Band

Mixing and mingling with your guests, the ST Roaming Band is the perfect mix between a full party band, and background ambience. ST are Chiswick House favourites as they have both inside and outside performances.

## Orbit Strings

Classical Strings are a timeless choice for weddings.

Orbit provides a classy and fun ensemble that combines a classical repertoire with modern songs.

They perform in ranges from Duos through to full quartets.

## BT String Ensemble

BT's exclusive Trio and Quintet ensembles make them unique in the string world. Combining violins and double bass, they stretch what you thought would be possible, and custom arrange all of their music for each line up.

## DM Guitar Duo

The perfect alternative to a traditional choice. The DM Guitar Duo's repertoire covers the most up to date Top 40's, right through to Disney classics and Iconic film soundtracks.

## *Background Musicians*

# Mix & Mingle

*Click on the artists names to view them on our website!*

## Magicians

A close-up magician is a brilliant ice breaker and a way to engage your guests and keep them entertained throughout the day. Magicians work best over the drinks reception and wedding breakfast and can often perform both.

## Caricaturists

Custom caricatures of your guests and event party make for wonderful tokens and keep-sakes. Both comical and personal, a caricaturist is ideal for involving all wedding goers of all ages

# Photobooths

[Click here to view to view all available photobooths on our website!](#)

## Vintage Booth

Handcrafted and made with a full wooden surround, the vintage booth blends in with the Chiswick House aesthetic. Housing a full HD camera and a picture personaliser, the vintage booth is our go-to booth at Chiswick House

## Magic Mirror

The Magic Mirror is a full touchscreen, free standing booth that is fully interactive and fun. Perfect if you have little ones to entertain, or for the after-dinner party to capture all of the evening's shenanigans.

## Classic Oval Booth

Oval Booths are a classic, curtain drawn booth that can be fitted with a greenscreen, allowing the user to change their backdrop on each picture. We can customise this to display a picture of you, or your specific wedding date.
